

A PANCAKE PUDDING

The Universal Cook by John Townshend, 1773

ORIGINAL RECEIPT

Take a quart of milk, four eggs, two large spoonfuls of flour, a little salt, and a very little grated ginger and a small glass of brandy; butter your dish and bake it; pour melted butter over it when it comes out of the oven; 'tis a cheap and very acceptable pudding, being less offensive to the stomach than fry'd pancakes.
